CAMÉLIA

BRUNCH GARDEN

Estamos na Foz, com os olhos no Douro, o coração na cozinha e a alma no jardim. Bem-vindo ao Camélia, a flor do Porto, agora também a nossa morada.

Quando imaginamos este espaço idealizamos um jardim repleto de flores com vista para o rio, onde pudéssemos desfrutar de um convívio entre amigos e de uma boa comida, a qualquer hora do dia.

Como verdadeiros portuenses, não poderíamos deixar de destacar a nossa rainha das flores. A Camélia, espécie nativa da China, Japão e Coreia, foi introduzida em Portugal durante o século XIX, e foi no Porto que encontrou jardins aos quais chamou casa.

Todos os anos, entre Novembro e Abril, altura em que são raras outras flores, as camélias florescem e podem admirar-se em todo o seu esplendor em inúmeros jardins da Cidade do Porto.

Em Abril de 2019 nasce também no Porto o Camélia Brunch Garden. Esperamos que goste do nosso espaço e que sinta todo o carinho e dedicação com que o construímos para si. A partir de hoje, este será também o seu jardim plantado à beira-rio. Desfrute!

CAMÉLIA

BRUNCH GARDEN

We are in Foz, our eyes on the Douro, our hearts on the kitchen and our souls on the garden. Welcome to Camélia, Porto's distinguishing flower and, from this day on, our home.

When we imagine Camélia, we picture a garden full of flowers and a view of the river, a place to enjoy the company of friends and delicious food, at any time of the day.

As heart and soul Portuguese, we couldn't miss the chance to highlight our queen of flowers. Camellias, originally from China and Japan, were brought to Portugal during the 19th century and settled in the gardens of Porto, where they felt most at home.

Each year, from November until April, unlike most flowers, Camellias flourish and can be admired in countless Porto gardens.

Like Camellias, Camélia Brunch Garden also flowered in April 2019. We hope that you like our space, and feel all the affection and dedication invested in its creation. From now on, Camélia Brunch Garden will also be your garden by the river. Enjoy!
